Requests for Donations from Others

Our families are an important part of the school's outreach for other support. We have included two letter templates for your modification and use in recruiting families who might consider sending their children to SAPMS, friends and family (local or remote), and potential corporate/business supporters to our cause. If you'd prefer not to solicit others, maybe you can think of other creative ways to raise a few dollars for SAPMS on your own. Maybe your children have an idea and would enjoy participation
