

## SAPMS 1st Annual Fundraising Gala - Donation Fact Sheet

To : \_\_\_\_\_

From: \_\_\_\_\_, SAPMS community member.

RE: Request for donations for the **SAPMS 1st Annual Fundraising Gala on May 31st, 2012.**

SAPMS is seeking donations from local businesses and organizations for their annual auction to support public Montessori education in our community. These donations could be in the form of products, items, gift certificates, tickets or passes, lessons or experiences, memorabilia, and more. The name of your business/organization will be highlighted in the SAPMS Auction Program, and you will receive a receipt for the contribution.

The mission of St. Augustine Public Montessori School is to provide students in Grades 1 through 6 (ages 6-12) with a learning culture that is grounded in Montessori philosophy. This historically proven educational model supports the whole child, creates lifelong learners, and educates for collaborative approaches to community leadership. The foundation of this academic excellence is a prepared classroom environment that inspires self-paced, individualized discovery; a love of learning; and respect for self, others, and the environment.

The St. Augustine Public Montessori School is part of the St. Johns County District. The school is governed independently by a non-profit organization Board of Trustees, but is accountable to the SJCS and State Department of Education. We hope to build upon the great success of the many public elementary Montessori schools across the nation and Florida. SAPMS will enhance the District's excellent success rates and attraction for residents by including a Montessori option as a public school choice.
